

Moms & babies agree... breastmilk is the best milk!

TRY it.
You'll like it!

**benefits to
babies last a
lifetime**

All Natural, no artificial ingredients!

**It's
naturer**

Teens can breastfeed their babies, too

Breastmilk is baby's
first immunization.

Mom's milk is more
nutritious than formula.

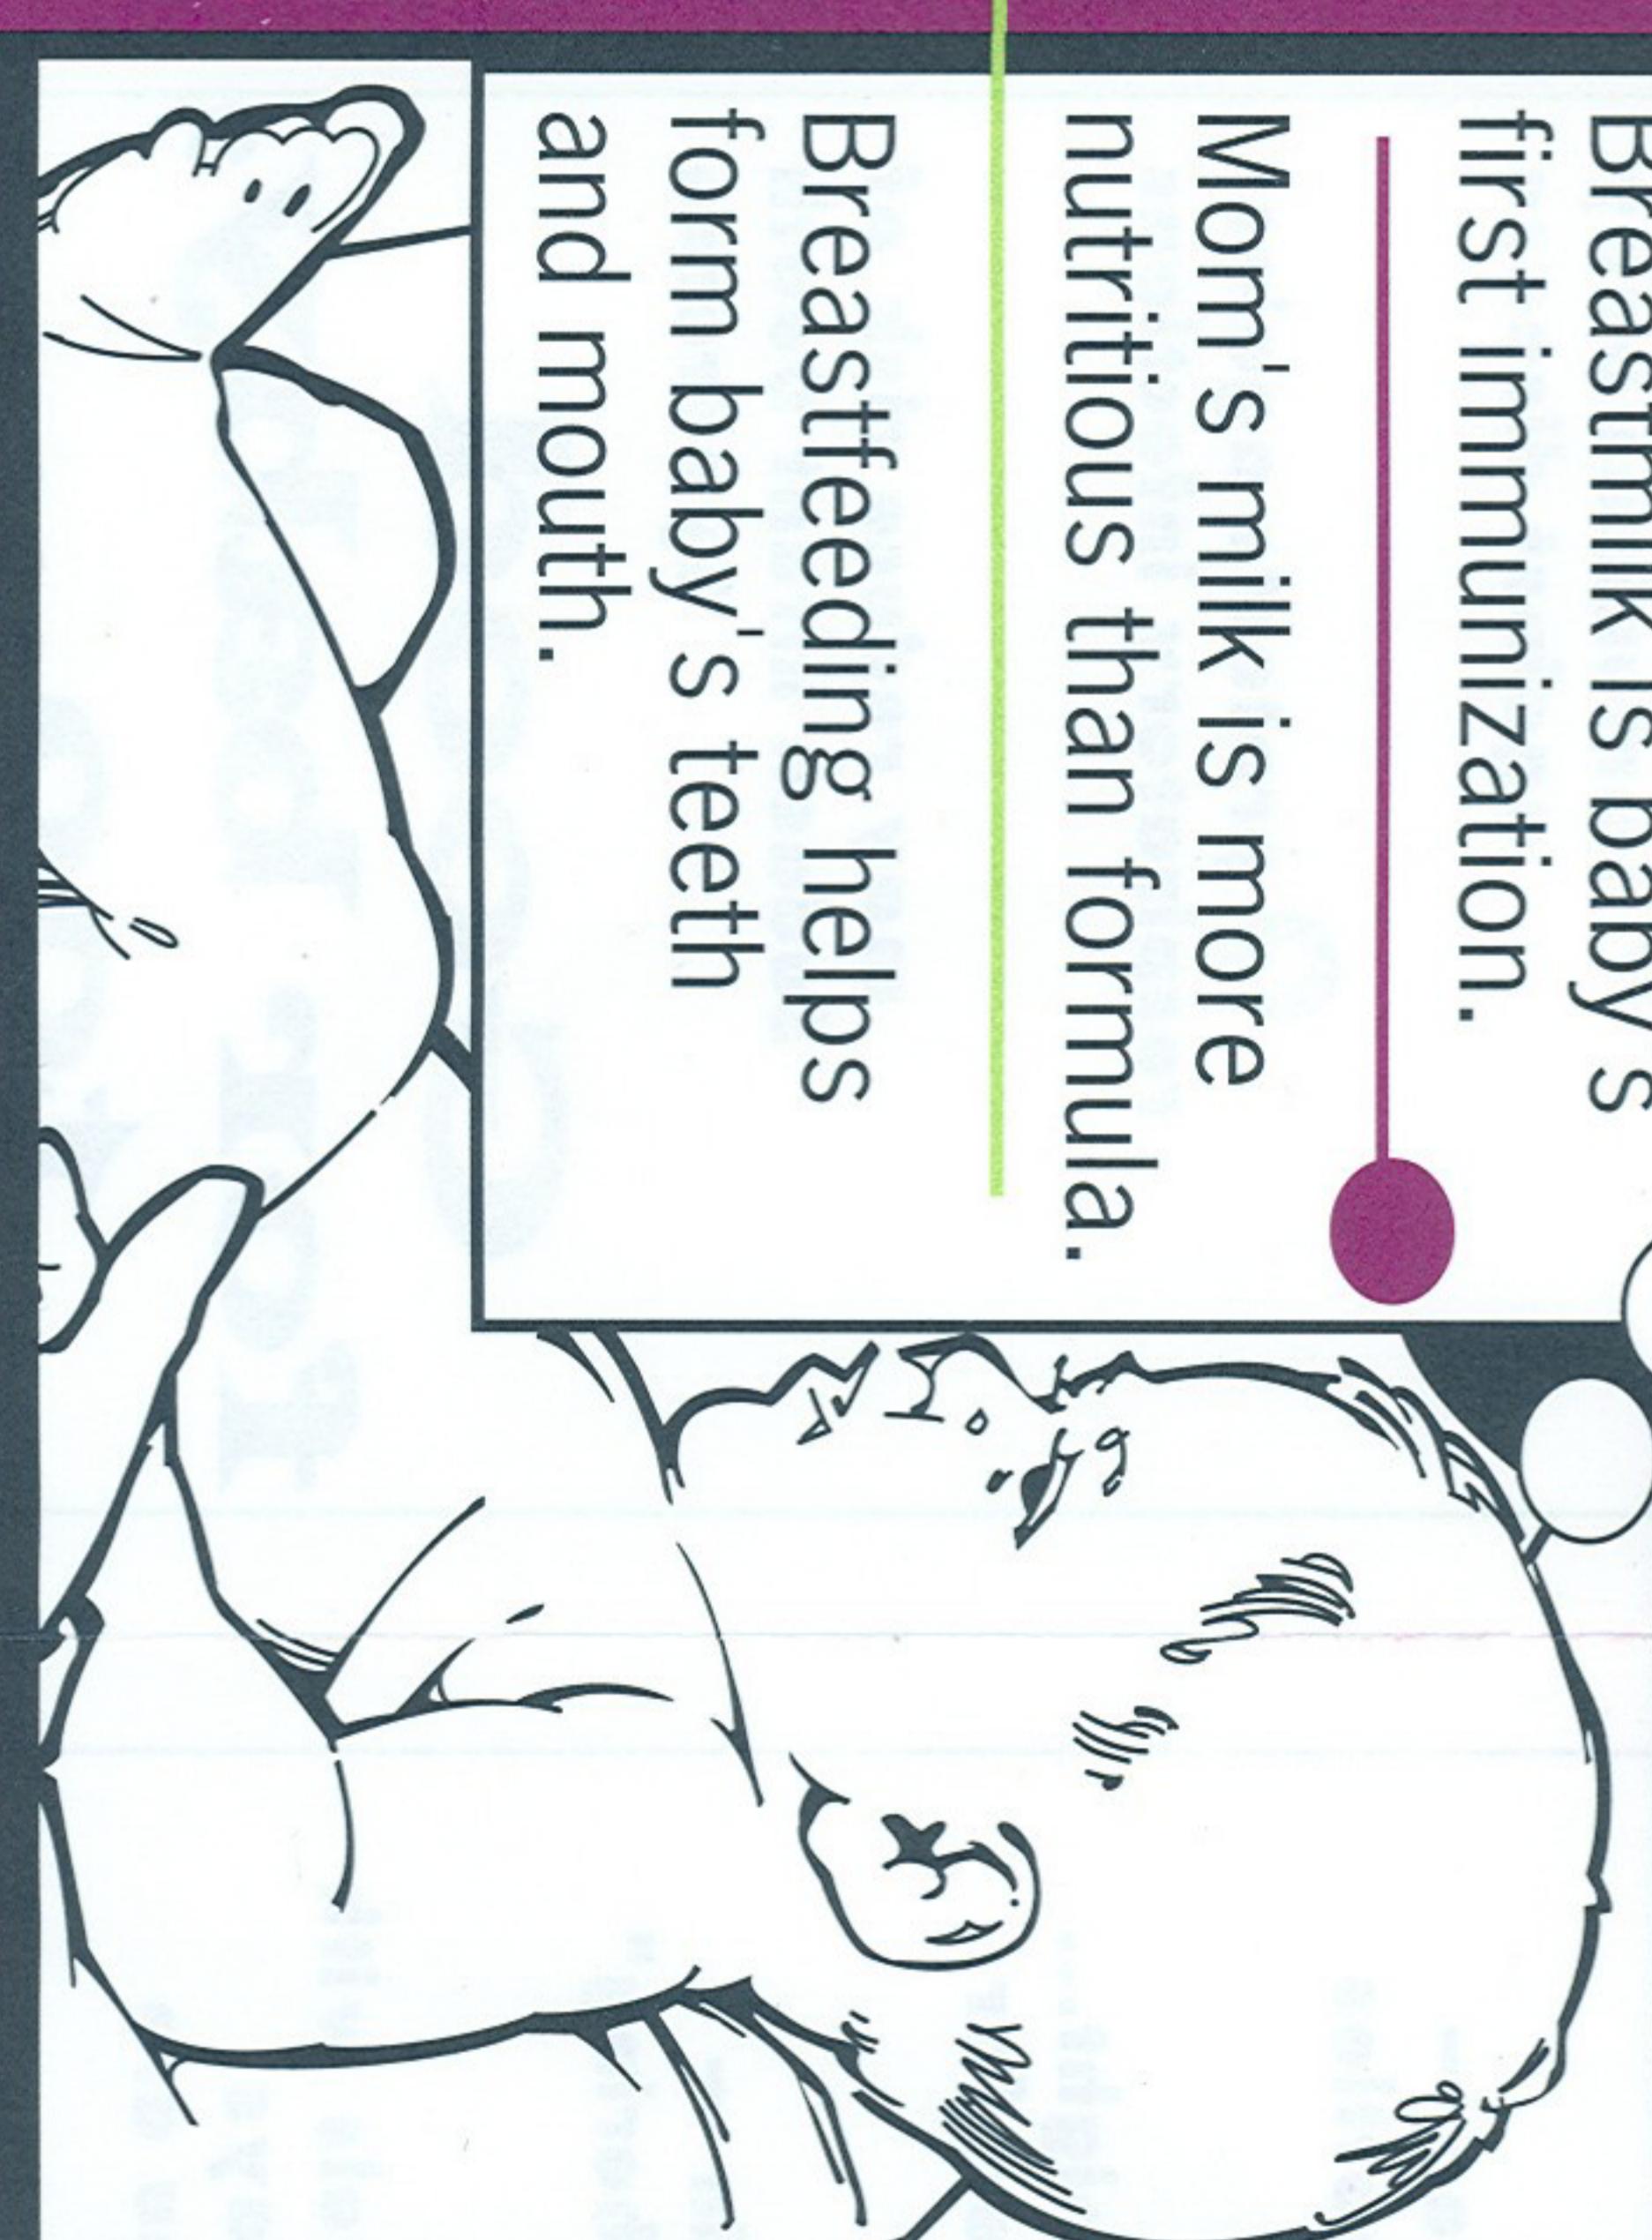

Breastfeeding helps
form baby's teeth
and mouth.

Breastfeeding can help
take off weight and shrink
the uterus back to normal.

Breastfeeding
creates a special bond
between mother and baby.

Sleep tight
No messy bottles
to fix at night!

Breastfeeding
moms miss less
school because
breastfed babies
get sick less.

Breastfeeding is a natural!
